6. Resolved: The Public Safety Committee of the City Council shall meet and review the provisions of the new law, review current zoning, business regulations, and public safety issues with appropriate department heads, hold a Public Hearing at the discretion of the

committee, and report back to the full Council no later than the first regular meeting in March, 2017 with recommendations or proposed ordinance changes to protect the interests of our residents.

7. Resolved: That the Commissioner of the Department of Public Works, the Chief Financial Officer, and the City Engineer appear before a committee of the City Council to discuss the issue of unaccepted roadways on which residents live, the limitations (if any) imposed upon the city for the maintenance and repair of these roadways, and the potential costs associated with preparing “private ways” for formal acceptance as public ways.
