JONATHAN DRIVE

Request from Councilor Dennis Eaniri on behalf of Dan Blackler of GTR Manufacturing of 1 Jonathan Drive to have "No Parking" signs installed on Jonathan Drive as cars parking on the roadway are making the road too narrow and blocking entrances to their parking lot.

WEST CHESTNUT STREET at DONALD STREET

Request From Councilor Dennis Eaniri to have the Traffic Commission review the traffic situation at West Chestnut Street at Donald Street where the one-way section of West Chestnut Street becomes two-way traffic and cars coming up West Chestnut Street are traveling at a fast rate of speed.

WEST CHESTNUT STREET at LINWOOD STREET

Request from Councilor Dennis Eaniri to have the Traffic Commission review the traffic issue in the area of Linwood Street as residents are complaining that it is difficult to get out of their driveways as cars are going faster than the posted speed limit.

WEST STREET

Request from Councilor Shaynah Barnes on behalf of Leonard and Carole Alkins of West Elm Street to have the Traffic Commission address their concerns that West Street from the Fairgrounds to Pleasant Street (Route 27) has become a truck route with overloaded 18 wheel trucks and construction vehicles traveling beyond the speed limit during the early morning and afternoon.

WEST ELM STREET

Request from Councilor Shaynah Barnes on behalf of Leonard and Carole Alkins of West Elm Street to review the steady increase in commercial traffic on West Street and West Elm Street without anyone addressing or stopping the violations of the speed limit or exclusions of heavy duty commercial trucks from using residential streets as a cut-through remedy to avoid Belmont Street and Pleasant Street.

DON'T BLOCK THE BOX CAMPAIGN

Request from Councilor Shaynah Barnes to have the Traffic Commission implement a "Don't Block The Box" Campaign. This campaign is to ensure that vehicles going through an intersection with a green light make sure that they can make it entirely through the intersection before the light sequence changes, otherwise they will be obstructing traffic coming from the other direction and "blocking the box". Of particular concern is the intersection of Main Street and Legion Parkway.
