OLD BUSINESS

COURT STREET and QUINCY/NORTH QUINCY STREET INTERSECTION

Request from Traffic Commission member Craig Pina on behalf of a resident to have “No Turn on Red” signs installed at this intersection.

PLAIN STREET at EAST STREET

Request from Councilor Paul Studenski to have signage installed at the intersection of Plain Street and East Street in both directions to deter speeding.

LINCOLN STREET HP SIGNS

Request from Traffic Commission member Mort Schleffer on behalf of the Chamber of Commerce to have the signage for HP parking at the Chamber of Commerce building reviewed as they are not easily visible.

COMMERCIAL STREET

Request from Councilor Anne Beauregard on behalf of BKA Architects, who are on Commercial Street with one side of their building on School Street. The request is to have the 4 parking spaces that are currently designated as 2 hour parking designated as permit parking for this business.

472 NORTH QUINCY STREET

Request from Councilor Jack Lally on behalf of the resident at 472 North Quincy Street that a guardrail be placed in front of this residence as it is at the intersection with North Cary Street and there are many accidents at this location and some cars are going onto this property.

Subcommittee Recommendation: We will get a price for an 18 foot guardrail and make further determination once the cost is known.

MAIN STREET

Request from Robert Malley, Brockton Parking Authority, to have the Traffic Commission members review the signage on Main Street between White Avenue and Pleasant Street, in order to clarify and simplify the parking restrictions in that area. Voted to continue this matter to the June meeting for further information from the Department of Public Works.

NEW BUSINESS

DAY AVENUE

Request from Captain Robert DiBari on behalf of Charlie Tartaglia to have "No Parking" signs on Day Ave, due to fire trucks not being able to make it by when cars are parked on the side of the street.
