

BROCKTON TRAFFIC COMMISSION
Meeting of June 24, 2010

The Traffic Commission regular monthly meeting for June 24, 2010 was cancelled due to a lack of quorum. The following members were present at 7:00 p.m.: Captain Lee McCabe, Fire Chief Richard Francis, and Ret. Chief Kenneth Galligan. City Councilor Paul Studenski had informed the Commission prior to the meeting that he was unable to attend this meeting due to a personal obligation but was available on an on-call basis if a quorum was needed, and City Councilor Todd Petti had informed the Commission that he was unable to attend due to illness.

Captain McCabe indicated that Section 5 of the Traffic Commission By-laws specifies that a quorum shall consist of five members. At 7:25 p.m., there being only three members present, the meeting was cancelled and all agenda items continued to the July 22, 2010 meeting for hearing, and there is no need for a July Subcommittee review.

Respectfully submitted,

Patricia Florio, Secretary to the Traffic Commission
